DETAILED ACTION

Allowable Subject Matter

1. Claims 4-18 and 20-28 are allowed.
2. The following is an examiner's statement of reasons for allowance: The present invention is directed to a method for synchronizing transmission/reception time in a mobile communication system. The prior arts in the record fail to teach or make obvious to a method comprising the base station controller checking whether or not forward data frames of the digital voice signal received from the media gateway are synchronized, requesting time synchronization to the media gateway when synchronizing is not established for the forward data frame received in sequence, receiving information of transmission timing adjusted by the media gateway according to the time synchronization request, synchronizing the forward data frames and transmits the forward data frames to the mobile station within a structure of the claim. These features are claimed in the independent claims 4 and 16 and render them allowable. The prior arts in the record fail to teach or make obvious to a method comprising the media gateway checking whether or not reverse data frames of the digital voice signal received from the base station controller are synchronized, receiving a synchronization request from the base station controller when synchronizing is not established for the reverse data frame received in sequence, adjusting transmission timing of the reverse data frame according to the synchronization request, and transmitting the adjusted information to the base station controller; and receiving the reverse data frame synchronized according to the adjusted transmission timing information from the base

station controller within a structure of the claim. These features are claimed in the independent claims 10 and render it allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
